Get Ready for the Video

- At your computer, open the backend of your website to show edit access.
- Have your printed document with business name next to the mouse / keyboard
- Have your business card and driver's license on passenger seat of truck / van / car
- Have your car magnet on the side of the truck covering any existing logos
- Have your garage door / truck / van / car trunk open showing work tools (if possible)

Walkthrough of Caleb's Build

Google needs to verify that you manage this business.
[Learn more about verification](#)

☒ Business video

☐ Record a video of your business
Show your location, equipment and proof of management. Your video is only used for verification and won't be shown publicly

Having problems?

[Verify Later](#)

Next

Start Recording Your Video Outside

1. Start at truck / van with magnet on side
2. Hold up key fob showing it and the truck / van
3. Hit lock and unlock so truck / van headlights blink, honks, etc to show you control vehicle
4. Open the passenger door and show business card and driver's license with matching name
5. Show tools in the back of the truck / van / car or show tools in garage
6. Close passenger door to truck / van / car and lock the door
7. Show a street sign if near a corner or intersection (if possible). Show left and right neighbors
8. Walk to house / office
9. Show house numbers
10. Demonstrate door is locked by trying to open it
11. Unlock and open door
12. Walk inside
13. Show the website edit access on computer screen
14. Switch to other window / tab showing the website
15. End video
